

**A LEADING DISTRIBUTOR OF ELECTRICAL, ELECTRONICS &
ENVIRONMENTAL
TESTING AND MEASURING EQUIPMENT'S.**

EDVANTEST is delighted to introduce itself as one of the biggest and quality solution provider in the field of Test & Measurement. We offer a wide portfolio of instruments including Electrical / Electronics / RF / ENVIRONMENTAL / Test & Measurement equipment's. Our instruments meets International Standards and are certified by the globally certification organizations. By understanding customer requirement we supply them the best solution. We have to diligent team and our technical skilled engineers will ensures best assistance to our customers.

Our Esteemed Clients includes:-

PRODUCT PORTFOLIO

The rich vendor base enables us to trade and supply assorted range of **Electrical, Electronics & Environmental Testing & Measuring Equipment's**. These products are fabricated in high-tech manufacturing units by our reliable globally reputed organizations. Available at industry leading prices, these products serve the requirements of varied industries. The offered product range is examined by our quality experts in order to provide supreme quality and flawless products. Our entire range is appreciated for its premium quality, longer service life and low maintenance features.

Multimeters	AC/DC Clamp Meters	Insulation Testers	Earth Testers	ELCB Testers
Power Quality Analyzers	High Voltage Testers	Thermometers	Anemometers	Thermal Imaging Cameras
Gas Detectors	Sound Level Meters	Hygrometers	Process Calibrators	Oscilloscopes
Power Supplies	Oxygen Analyzers	Battery Testers	Digital Panel Meters	Multifunction Meters
Solar Power Meter	Coating Thickness Gauges	Touch Screen Energy Meters	Distance Meters	Solar PV Analyzers
Alcohol Meters	Tachometers	Oxygen Analyzer	pH Meters	Conductivity Meter
"UL" Approved Clamp Meters	Non-Contact Voltage Detector	Food Thermometers	Hot Wire Anemometers	Multifunction Calibrators
"UL" Approved Multimeters	Data Loggers	Chlorine Testing Kit	Ultrasonic Thickness Meter	Electronic Loads
Milli ohm meter	Force Gauges	Lux Meters	Relays	Thermocouple Calibrators
Micro ohm Meter	Soldering/De-soldering stations	Touch Screen Power Meters	Volt/mA Calibrator	RTD Calibrators
